

AGRICULTURAL PRODUCE MAREKTING COMMITTEE
(Govt. Of NCT of Delhi)
Office Complex, NFM Phase-II, Saria Pipal Thala, Delhi-34

No. : APMC/SECY/2020/894

Dated: 07.01.2020

ORDER

A gate pass to the loaded trucks of the notified agricultural commodities with a validity of 6 hours during which the commodities from the trucks should be unloaded by the traders / commission agents and the departures of the trucks from the mandi is issued by the APMC, Azadpur. It is the responsibilities of the traders / commission agents to ensure that the trucks leave the mandi premises within six hours so that traffic jam could not occur and sanitation services could not get adversely affected in the mandi.

But it is being observed the trucks are not leaving the mandi premises after unloading the commodities which leads to heavy traffic congestion, chaos and poor sanitation services. This has caused great difficulty to all the traders / Commission Agents due to some of the traders / Commission Agents who are not ensuring the removal of their trucks within prescribed time.

To streamline the traffic flow in the mandi and carry out sanitation services and smooth conduct of trading in the mandi, I in the capacity of Secretary of the mandi hereby order exercising the power under section 123 of DAPM (R) Act, 1998 that all the traders will start removing of their trucks from 11.00 AM. If they do not remove their trucks by 2.00 PM a penalty of Rs. 5000/- will be imposed on the concerned traders/Commission Agents and will be recovered from them.

All the traders / commission agents are requested to cooperate the mandi authorities / officials for complying of this order for smooth functioning of the mandi in their own interest.

7.1.2020
(TANVIR AHMAD)
Secretary

To,
All Traders / Commission Agents
