Executive Engineer (E)
APMC, AZADPUR

Terms & Conditions

1. The rates quoted should be inclusive of GST S, Octroi Royalties, Cess ,Cartage and other levies and duties on the price of the materials and nothing extra on this amount shall be payable by the department.
2. The condition of DG Set should be in perfect condition.
3. The payment shall be made only after successful completion of work.
4. The contractor shall make his own arrangement at his own cost for electric/general tools and plants required for the work.
5. Co-ordination/follow-up/complaining etc. with TPDDL is to be kept in case of failure /fault in supply/fluctuation in voltage etc. The contractor shall intimate the EIC about the major break down/repairs to be carried by TPDDL.
6. The DG operator should have knowledge of electrical work and shall also be responsible for repair/rectify the electrical fault in check post and street lights in addition of operation of DG Set.
7. The rates quoted shall be stand valid for 90 days.
8. Department reserves the right to reject any or all quotations without assigning any reason thereof.
9. Conditional quotations are liable to be rejected.
10. Loss of life/damages/accidents etc. shall be the sole responsibility of the contractor and no compensation shall be payable by the department.
11. The contractors shall be entirely responsible for any accident or injury to any personnel including the Gen Set operator due to installation / operation of the generators and shall completely and totally indemnify the APMC of any responsibility by entering into the contract for the work.
12. If the services of the contactor are found unsatisfactory, the APMC reserves the right to terminate the contract after giving one month notice.
13. The vendors are requested to acquaint themselves with the site conditions, terms & conditions, schedule of items and technical specifications of the Tender and should seek requisite clarifications, if required, from concerned E-I-C before quoting the rates.
14. The vendor shall not assign the contract to anyone else. He shall not sublet any portion of the contract.
15. The rates quoted by the vendor shall be firm & fixed and no variation will be allowed in rates on any account. The rate quoted should be inclusive of all taxes, duties, levies, cartage etc. imposed by the Central, State Govt. or Local administration and as applicable or becomes applicable during the contract period.
16. Proper and timely maintenance of DG set, cable and all other material given on hire by the contractor shall be the total responsibility of the contractor giving the DG set on hire.
17. The charges for transportation, loading & unloading and installation of the D.G sets in APMC premises will be borne by the supplier. Mending of any damage caused to the APMC property during loading, unloading & installation of the D.G. set in APMC premises will be done by the contractor to original finish at his cost.
18. In case of break-down of D.G. set, alternative interim arrangement will have to be made by the vendor within four hours by providing substitute generator (S) of adequate capacity at no extra cost. In case vendor fails to make alternative, interim genset arrangement, APMC will impose penalty at double the pro-rata rate to be deducted from monthly bill of the generators for the period the generating set remains nonfunctional.
19. The deployment of operator for running the generator sets should comply with all the Labour Legislations like Minimum Wage Act etc. of the State Govt.

EE(E)

Signature of the contractor with the seal if any.

SCOPE OF WORK

1. The Contractor /vendor are advised to visit the site , before quoting rates.
2. The vendor will have to supply and install suitable length, size & capacity armored aluminum cable for connection from the generator MCCB and change over switch to control panel of APMC.
3. The generators will have to be placed in the premises or near the premises of APMC as per instructions.
4. Contractor/vendor shall arrange for maintenance of their Diesel Generator set as prescribed by the supplier for reducing breakdowns to the minimum and for uninterrupted operation of DG set.
5. Contractor/Vendor will have to provide the services of an operator having the necessary skill level for operation and routine attention to the Gen set. Generator services will have to be provided for 24 hours on all days.
6. The safety and security of the generators shall be the contractor's (firm from whom the Gen Sets is taken on hire) responsibility.
7. It shall be entirely the contractor's responsibility to ensure compliance/conformity to any related statutory obligations like those pertaining to pollution or electrical safety.
8. The DG set should comply with CPCB (Central Pollution Control Board) norms.
9. All kinds of maintenance including periodical servicing of the Generator sets/AMF system and arrangement of Diesel & Mobil oil required for daily running of the Generator Sets etc. shall be the responsibility of the vendor.
10. It will be sole responsibility of the Vendor to ensure proper distribution of load on all the phases. The Generator sets should however, be capable to sustain 30% unbalanced loading conditions on all the phases. However, the APMC shall bear no responsibility for any kind of failure in the Generator sets on account of unbalanced load on the different phases etc. The vendor shall keep daily check over the loads on all the phases and will initiate corrective steps.
11. The Contractor /vendor will provide suitable Batteries for the operation of "Self Starter" and will maintain the same at his own cost in good working conditions.

EE(E)
