F.NO. APMC/Secy./2020/ 936

Dated: - 04.04.2020

To

The Deputy Commissioner,
Civil Line Zone, MCD,
Rajpura Road, Delhi

Subject:- Regarding taking necessary steps for stopping/preventing the entry of animals inside the Azadpur Subzi Mandi and Fruit Mandi Azadpur, Delhi-110033.

Sir,

In pursuance of Office of Vice Chairman, DAMB letter no. 446, dated 01.04.20 regarding to prevent the threat imposed by spread of COVID-19 – preventive measures in APMCs and Lockdown measures to be taken by the Ministries and departments of GOI/State Governments & Union Territories to contain the spread of COVID-19 in the country. a meeting was held under the Chairmanship of Hon'ble Chairman, APMC(MNI), Azadpur on 02.04.2020 in which representatives of various associations and stack-holders participated and raised the concern of a large number of bovine animals/stray animals roaming in the mandi and requested to seek the help of MCD for their removal.

In this regard, it is further informed that Azadpur wholesale fruits and vegetable market is biggest market of Asia, where-in thousands and lakhs of people besides around 5000 different type of vehicles daily enter the market yard. A large number of stray cattle, mostly cows may be seen roaming inside the market yard causing hurdles in the smooth movement of traffic. There is also always possibility of attack by such stray cattle on human beings. Being Asias largest market some delegations not only from India but also from abroad visit the market area frequently. It also gives very bad impression of the Asia biggest market.

: -2: -

In addition, if these animals are not removed then it will also impose health hazards to people as well as to them selves on the back drop of spreading of COVID-19(Corona Virus Disease) in Delhi.

In view of above you are kindly requested to direct the concerned officers to take effective steps to remove the stray cattles/bovine animals from the notified market yard at Azadpur.
